On Washington's Birthday,

Monday.

My dear Friend.

I thought you would like to see a picture of our church. Dear Lill was so interested in our Fair last year. Oh: how I miss her. I simply can not realize it. I have had a terrible cold for the last months.

Mamma is so miserable. Hope you will go in to see her. She is so lonely.

Give my love to all the folks and don't forget about that visit you are to make us.

Lovingly Estelle Petty.
